CANCELLATION OF ABINGDON RURITAN CLUB SPRING SEAFOOD FESTIVAL

In keeping with Governor Northam's imposed restrictions due to COVID-19, and to protect our members and our community, the Abingdon Ruritan Club is officially cancelling the Seafood Festival scheduled for May 20, 2020. Tickets purchased for the May 20th festival may be used for our next festival on October 21, 2020 or returned for a refund.

To obtain a refund, tickets purchased with a check or cash must be returned along with a self-addressed stamped envelope. Refund requests should be mailed to Abingdon Ruritan Club, P.O. Box 22, Bena, VA 23018 or deposited in the drop box next to the front door at the Club's building located at 8784 Guinea Road, Hayes, VA. Pay Pal customers should return their tickets along with their name and address so a credit can be issued to their credit card. The Club will not be responsible for tickets lost in the mail. It is highly recommended that anyone returning tickets should keep a record of the ticket numbers of those tickets being returned. **Tickets being returned for a refund must be received no later than May 20, 2020.**

The members of the Abingdon Ruritan Club and our volunteers are disappointed that the festival must be cancelled but understand we must all work together to get through this unprecedented situation. As the members of Abingdon Ruritan Club continue to serve our community in various ways during the next few months, we look forward to seeing you at our Fall Seafood Festival on October 21, 2020.
